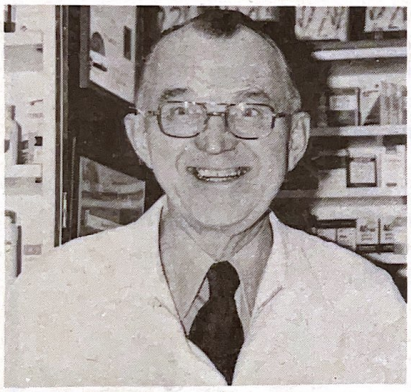
In April, 1949 George Henriksen opened the Save-On Drug in the One-Stop Shopping Center!

1949



1976

Shopping centers were unheard of back in 1949, and everyone said George was a fool to leave an established business in Camas and open a store in the country. Since then George and the crew at Save-On have filled 400,000 prescriptions. George wishes to thank all of you who have patronized our store for making him a happy fool!

SAVE-ON DRUG
